WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

**Basic:** 36 months/36,000 miles (all components other than normal wear and maintenance items).

**Powertrain:** 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

**Rust-Through:** 60 months/unlimited miles (corrosion perforation of sheet metal).

**Emissions:** Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

**Accessories:** For Genuine Toyota accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit [www.toyota.com](http://www.toyota.com), refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

**FEATURES<sup>6</sup>**

EXTERIOR	AVALON	LIMITED		AVALON	LIMITED
17-in. split 6-spoke alloy wheels with P215/55R17 tires	S	-	Color-keyed foldable power heated outside mirrors with auto-dimming feature, turn signal indicators and puddle lamps	-	S
17-in. dual 5-spoke alloy wheels with P215/55R17 tires	-	S	Chrome outside door handles	-	S
Projector-beam halogen headlamps with auto on/off feature and Daytime Running Lights (DRL)	S	-	Chrome-tipped dual rear exhaust outlets	S	S
High Intensity Discharge (HID) headlamps with auto level control, auto on/off feature and Daytime Running Lights (DRL)	-	S	High Solar Energy-Absorbing (HSEA) glass	S	S
Wide-angle fog lamps	S	S	Rain-sensing washer-linked variable intermittent windshield wipers	-	S
LED taillamps	S	S	Washer-linked variable intermittent windshield wipers	S	-
Color-keyed foldable power heated outside mirrors with driver-side auto-dimming feature and turn signal indicators	S	-	Power tilt/slide glass moonroof with sliding sunshade	S	S
<b>INTERIOR</b>					
Manually adjustable tilt/telescopic steering wheel with audio and climate controls	S	S	AM/FM CD player with MP3/WMA playback capability, nine speakers, XM <sup>®</sup> Radio <sup>12</sup> (includes 90-day trial subscription), auxiliary audio jack, USB <sup>13</sup> port with iPod <sup>®14</sup> connectivity, hands-free phone capability and music streaming via Bluetooth <sup>®15</sup> wireless technology, and Vacuum Fluorescent Display	S	-
Leather-wrapped steering wheel and shift knob	S	-	JBL Synthesis <sup>®</sup> AM/FM 6-disc CD changer with MP3/WMA playback capability, 660W (maximum output) with 12 speakers including subwoofer, XM <sup>®</sup> Radio <sup>12</sup> (includes 90-day trial subscription), auxiliary audio jack, USB <sup>13</sup> port with iPod <sup>®14</sup> connectivity, hands-free phone capability and music streaming via Bluetooth <sup>®15</sup> wireless technology, and Vacuum Fluorescent Display	O	S
Wood-grain-style and leather-wrapped steering wheel and shift knob	-	S	Voice-activated touch-screen DVD navigation system <sup>16</sup> with integrated backup camera, <sup>8, 9</sup> JBL Synthesis <sup>®</sup> AM/FM 4-disc CD changer with MP3/WMA playback capability, 660W (maximum output) with 12 speakers including subwoofer, XM <sup>®</sup> Radio <sup>12</sup> with XM <sup>®</sup> NavTraffic <sup>®16</sup> (includes 90-day trial subscriptions), auxiliary audio jack, USB <sup>8</sup> port with iPod <sup>®14</sup> connectivity, and hands-free phone capability and music streaming via Bluetooth <sup>®15</sup> wireless technology	O	O

### AVALON

JBL Synthesis® AM/FM 6-disc CD changer with MP3/WMA playback capability, 660W (maximum output) with 12 speakers including subwoofer, XM® Radio<sup>12</sup> (includes 90-day trial subscription), auxiliary audio jack, USB<sup>13</sup> port with iPod®<sup>14</sup> connectivity, hands-free phone capability and music streaming via Bluetooth®<sup>15</sup> wireless technology, and Vacuum Fluorescent Display

Voice-activated touch-screen DVD navigation system<sup>16</sup> with integrated backup camera<sup>8,9</sup> JBL Synthesis® AM/FM 4-disc CD changer with MP3/WMA playback capability, 660W (maximum output) with 12 speakers including subwoofer, XM® Radio<sup>12</sup> with XM NavTraffic®<sup>16</sup> (includes 90-day trial subscriptions), auxiliary audio jack, USB<sup>13</sup> port with iPod®<sup>14</sup> connectivity, and hands-free phone capability and music streaming via Bluetooth®<sup>15</sup> wireless technology

Heated front seats with variable heat setting

Driver's seat and outside mirrors memory systems and 8-way power passenger seat with power lumbar support<sup>7</sup>

### Limited

Voice-activated touch-screen DVD navigation system<sup>16</sup> with integrated backup camera<sup>8,9</sup> JBL Synthesis® AM/FM 4-disc CD changer with MP3/WMA playback capability, 660W (maximum output) with 12 speakers including subwoofer, XM® Radio<sup>12</sup> with XM NavTraffic®<sup>16</sup> (includes 90-day trial subscriptions), auxiliary audio jack, USB<sup>13</sup> port with iPod®<sup>14</sup> connectivity, and hands-free phone capability and music streaming via Bluetooth®<sup>15</sup> wireless technology

## ACCESSORIES

Add a personal touch to your Avalon with Genuine Toyota accessories. Some accessories may not be available in all regions of the country. See your Toyota dealer for details.

Mudguards

Paint protection film

Rear spoiler

Wheel locks

All-weather floor mats<sup>26</sup>

Cargo mat

Cargo net

Cargo tote

Carpet floor mats<sup>26</sup>

Emergency assistance kit

First aid kit

Glass breakage sensor<sup>27</sup>

Mudguards

Paint protection film

Rear spoiler

Remote engine starter

TRD air filter

TRD oil cap

TRD oil filter

TRD radiator cap

Wheel locks

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only.

## TOYOTA CARE

Covers normal factory scheduled service. Plan is 2 years or 25K miles, whichever comes first. The new Toyota vehicle cannot be part of a rental or commercial fleet, or a livery or taxi vehicle. See plan for complete coverage details. See participating Toyota dealer for details.

## DISCLAIMERS

**1.** Not available on Sandy Beach Metallic. **2.** Not available on Cypress Pearl. **3.** Not available on Cocoa Bean Metallic. **4.** Not available on Classic Silver Metallic. **5.** Not available on Zephyr Blue Metallic. **6.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See [toyota.com](http://toyota.com) for information about options/packages commonly available in your area. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. **7.** Includes heated front seats with variable heat setting. **8.** The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. **9.** Backup monitor displays in rearview mirror on vehicles not equipped with navigation. **10.** HomeLink® is a registered trademark of Johnson Controls, Inc. **11.** The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **12.** XM services require a subscription after 90-day trial period. Subscriptions governed by XM Customer Agreement available at [xmradio.com](http://xmradio.com). **If you decide to continue your XM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates unless you call 1-800-967-2346 to cancel.** Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. **13.** May not be compatible with all MP3/WMA players and like models. **14.** iPod® accessory is not included. iPod® is a registered trademark of Apple, Inc. All rights reserved. **15.** The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. Other trademarks and trade names are those of their respective owners. The Bluetooth® wireless technology phones listed on [toyota.com](http://toyota.com) have been tested for compatibility with Toyota vehicles. Performance will vary based on phone software version, coverage and your wireless carrier. Phones are warranted by their manufacturer, not Toyota. **16.** Availability and accuracy of the information provided by the navigation system or any XM services mentioned (if installed) are dependent upon many factors. Use common sense when relying on information provided. Services not available in every city or roadway. Periodic navigation updates available at additional cost. See your *Navigation System Owner's Manual* or contact XM for details. **17.** Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. **18.** Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. **19.** Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your *Owner's Manual* for further details. **20.** All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your *Owner's Manual* for further information/warnings. **21.** The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your *Owner's Manual* for details. **22.** Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. **23.** The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key or Smart Key fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key or Smart Key fob, it can be costly to replace. If you lose a key or Smart Key fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting [www.aloa.org](http://www.aloa.org) **24.** Cargo and load capacity limited by weight and distribution. **25.** 2011 EPA-estimated mileage. Actual mileage will vary. **26.** This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with retention hooks/clips. Do not install a floor mat on top of an existing floor mat. **27.** Available for vehicles with factory security.

For Toyota Mobility program details, go to [www.toyota.com/mobility](http://www.toyota.com/mobility) or call the Toyota Customer Assistance Center at 1-800-331-4331
